

WaterBUDTM
The Essence Of Water

Flushing Cistern | PTMT Taps | Health Faucets | Showers | Accessories

Price List w.e.f. 1st April 2024

About WaterBUD Industries

We WaterBUD Industries is a trust worthy and reputed organization of the Domain. We are actively engaged in manufacturing and supply of best quality. Toilet and Bathroom Products. WaterBUD Industries provide warranty for all its products, and products are made of version materials. The warranty period shall commence from the date of invoice and shall expire after the day the warranty is granted, even if the products has not been installed or used after the purchase.

Experience Technology

Penchant for quality and use of advanced technology sets WaterBUD apart from others. The high standards of our products in every category have cemented our reputation as the most valued premium brand in the bathing Industry. Zero-defect is a quality absolute that governs all our products and designs. To ensure performance and longevity, all our products undergo a series of rigorous tests at our R & D Centre that's equipped with the latest 3D Modeling Design software. A look at our technological standard of excellence.

Designed, Created & Developed by WaterBUD

In order to ensure the maximum quality of its products, "WATERBUD" controls the entire manufacturing process in its own facilities, from the conception of the idea to turning that idea into a reality. WATERBUD spirit is on full display in every one of its taps, which are carefully designed and feature the latest technology to guarantee you a product that is unique, cutting-edge and functional, with a wide range of solutions for those who are looking for comfort in their home.
